VISITING ASSISTANT PROFESSOR IN STATISTICS

The University of Notre Dame’s Department of Applied and Computational Mathematics and Statistics (ACMS) seeks to hire a Visiting Assistant Professor in Statistics. Opportunities exist to teach both upper-level and lower-level statistics courses.

The successful applicant must have a doctorate in statistics or a closely related field, and a record of success in teaching. The teaching load for this position is two courses per semester for a total of four courses per year.

The position begins in August 22, 2019 and ends May 21, 2020. Review of applications will begin immediately and continue until the position is filled.

Applications, including a cover letter, curriculum vitae, a research statement and a teaching statement, should be submitted through the Interfolio system at the following link https://apply.interfolio.com/62124. Applicants should also arrange for at least three letters of recommendation to be submitted via Interfolio.

Questions about the position may be addressed to Department Chair, Bei Hu, at b1hu@nd.edu.
