Assistant Professor of Applied Statistics
Department of Statistics and Analytical Sciences

Kennesaw State University is now accepting applications for a nine-month, tenure track Assistant Professor of Applied Statistics faculty position in the Department of Statistics and Analytical Sciences which begins August 2020.

Candidate would be expected to teach courses in Applied Statistics at the undergraduate and graduate levels. Candidate would also be expected to engage in scholarly research, external grant funding and applied consulting project-based work. Participation in service activities within the department and university is also an expectation.

Qualified applicants will have: 1) earned a Ph.D. from an accredited university, or its foreign equivalent, in Statistics or a closely related discipline; 2) be able to demonstrate effective teaching in their area of expertise; 3) be proficient in a statistical analysis package such as SAS, R, Python, or other similar programming language; and 4) have strong communication skills with a diverse audience of academics and practitioners. Experience in Big Data Analytics would be a plus.

For more than 50 years, Kennesaw State University has been known for its entrepreneurial spirit and sense of community. Offering campuses in Marietta and Kennesaw, the university is located just north of Atlanta and combines a suburban setting with access to one of the country’s most dynamic cities. As Georgia’s third-largest university, Kennesaw State offers more than 100 undergraduate and graduate degrees, including a growing number of doctoral programs. Designated by the Board of Regents of the University System of Georgia as a comprehensive university, Kennesaw State is committed to becoming a world-class academic institution positioned to broaden its academic and research missions and expand its scope on a local, regional and national level.
